HR

Terapeutska tajlandska masaža je masaža blagog, srednjeg ili jačeg intenziteta, prilagođena baš svakoj vašoj potrebi i želji. U Thai masaži koriste se prsti, laktovi, koljena i stopala te ovakva masaža uklanja napetost u mišićima, a opušta i revitalizira cijelo tijelo.

EN

Therapeutic Thai massage is a massage of mild, medium or strong intensity, adapted to your every need and desire. Fingers, elbows, knees and feet are used in Thai massage. This type of massage removes tension in the muscles and relaxes and revitalizes the whole body.
